

OFF THE GRID
ADVENTURES

FANCY SOMETHING NEW?

Off The Grid Adventures CIC are looking for a range of activity leaders & mentors to work with young people to help them fulfil their potential.

Across the region many young people don't have positive role models in their lives, our mentoring project aims to match young people in need with mentors to help them grow aspirations and go onto succeed in adult life.

We are often asked "What sort of person makes a good mentor & leader?" The answers is any adult of any age with a positive mindset and good values!

We Offer

FREE training in general activity mentoring and people skills and more specialist activity instruction if your after learning more specialist skills!

Reasonable session expenses and mileage is also covered with the role.

LET THE **ADVENTURE** START NOW...

If your curious and want to find out more details just drop me an email with your CV attached and we can have an informal conversation.

FANCY SOMETHING NEW?

Off The Grid Adventures CIC Is looking for level 2 Activity Leaders & Mentors.

Our leaders & mentors build relationships with young people allowing us to support their mental and emotional health and wellbeing, build their confidence and self-esteem, challenge their behaviour's and attitudes and help them in progressing educationally and socially.

Mentoring sessions are normally weekly, but can be more or less frequent depending on need. Sessions happen locally engaging young people in a wide variety of activities, initially based around the interests of the young person.

ACTIVITIES CAN INCLUDE:

COOKING

BADMINTON

BOXING

VISITING AREAS
(around the region)

When needed sessions can be tailored to support young people develop their CV, apply for College, attend Open Days and other appointments.
